

ADSL Broadband – with Bring Your Own phone line rental

We are forced to provide this Critical Information Summary as most providers try to trick you into fees and charges. We have nothing to hide and this is the same as the page you have just come from.

Information about the service

NewSprout's ADSL Broadband service supplied over the Telstra Wholesale Network or AAPT Wholesale Network.

Please Note: We have a BYO phone line service. You will need to purchase a required active Phone Line service from another supplier otherwise we cannot supply ADSL to you.

We will perform a Service Qualification of your number/address. If successful we will provide the fastest speed possible for your purchased plan.

Information about pricing

For a cancelled service:

- No cancellation fee.
- The final monthly invoice is due in full. But no other monthly payments will be due, there is no contract locking you into monthly payments.
- Please Note: No part-refunds or full-refunds will be provided by NewSprout for the final month for any cancelled service. Failure to give cancellation notice of the service at least 14 days before the next invoice's Due Date, or if the service is still active for part of the following month after cancellation has been requested, will result in an additional monthly invoice being generated. This invoice (together with any outstanding invoices) will become the final payment that is due in full.

In summary:

- The final Month to Month bill is due in full together with any unpaid and/or outstanding fees

CRITICAL INFORMATION SUMMARY

Peak/Off Peak Allowance: We have a combined allowance. There is no separate Peak or Off Peak data.

Speeds: These are the theoretical maximum speeds with no guarantees offered by the access provider/s NewSprout uses.

Excess Usage: No Excess Usage – if your data limit is exceeded the speed will be slowed or shaped to 256Kbps (unless you login to our client area and choose to pay for an upgrade or top-up your data).

Charges and Usage

1. Month to Month term
2. Dynamic IP address
3. No credit card surcharge. No PayPal surcharge. EFT (or Bank Transfers) incur an admin charge of \$2 per transaction
4. A late payment fee of \$30 may apply if you don't pay your bill by the due date.
5. No excess usage charges – shaped to 256Kbps
6. Plan upgrade, downgrade and top-ups available to purchase
7. No Early Termination Fee for 1st connection - We cover the first Early Termination Fee (ETF) for you for any broadband service cancelled within a 6 month period after activation. No fees charged to you. However, if you choose to signup again (and we hope you do) then if the new broadband service is cancelled again (i.e. a 2nd time) within 6 months from the new activation date, an ETF fee of \$100.00 will apply for each cancellation after the first one. This ETF will only apply within a 6 month period and if we have notified you and you agree to it before signing up.
8. Check your current Broadband usage by logging into your secure client area under "My Services" > "View Details": <https://myaccount.newsprout.com.au/clientarea.php>
